

Sound Desk

WHAT IS THE ROLE?

- To ensure that there is good quality and adequate sound during the Sunday services

WHY IS IT IMPORTANT?

- It's all part of worshipping God and enabling people to download the sermons

WHAT ARE THE BEST THINGS ABOUT THE ROLE?

- Controlling the volume and quality of the sound from instruments, vocals and speech
- It's great for people who love gadgets

WHAT MINISTRY GIFTS & SKILLS DOES IT INVOLVE?

- Having a good ear for sound and the mixing of sounds
- Teamwork as the role has you working with the musicians, speakers and the laptop operator
- Having a sense of how gadgets tend to work

WHAT DO I DO SPECIFICALLY?

- Help set up cables for the musicians and power up the sound desk before the service
- Ensure that the microphones are ready and working, check the sound levels in speakers and monitors
- Record the sermon to enable it to be on the website (it is just a few simple clicks on the recorder)
- Operate the sound desk during the service
- Put everything away at the end of the service

HOW MUCH TIME DOES IT INVOLVE AND WHEN?

- 8.45 – 11.30 Sunday morning
- About once a month

HOW WILL I BE SUPPORTED?

- Geoff Palmer organises the sound rota and tries to match a sound person with a team of musicians
- Anne Taylor tries to give the sound person some advance warning if DVDs are going to be used in the service.
- The current team will be able to advise a new person how to operate the sound desk or give full training as appropriate.
